TAKING PART

A brief is a document that presents opinions or concerns on a specific subject. It allows the author to develop and state the arguments in support of this opinion. As a general rule, a brief contains the following elements: a short presentation of the individual, the group, the organization or the municipality tabling the brief, a brief explanation of the interest that the author has in the project, opinions on the project as a whole, concerns related to the project and, as the case may be, any suggestions and comments likely to improve it.

Those individuals who do not wish to write a brief can express their opinion verbally at the public hearing. A verbal presentation may be developed in the same way as a brief.

Advice is provided, for reference purposes only, in the form of questions in the document entitled *Writing a Brief*. This document is available upon request, as well as in electronic format on the BAPE website at www.bape.gouv.qc.ca, under the heading “Comment participer” of this mandate.

PRESENTING A BRIEF

To ensure the smooth planning of the unfolding of the public sessions of the hearing, every person who wishes to present a brief or express opinions verbally is asked to inform Ms. Renée Poliquin, commission secretariat coordinator, wherever possible, two weeks before the second part of the hearing, by calling 418 643-7447 or, toll-free, 1 800 463-4732, extension 424.
