Horne 5 project in Rouyn-Noranda by Ressources Falco Ltée Commission to Sit in Winneway

Quebec City, September 24, 2024 – At the request of the Long Point First Nation, the Commission of Inquiry, composed of Joseph Zayed, Chair, and Martin Lessard and Geneviève Meloche, Commissioners, will hold two sessions of the public hearing on the [Horne 5 project in Rouyn-Noranda by Ressources Falco Ltée](#) in the community of Winneway. The first session, in the afternoon, will be attended by the project initiator and resource persons who will answer questions from the public on site. The second session, in the evening, will be an opportunity for those who wish to give their point of view on the project in person.

Date: October 3, 2024

Time: 1:15 p.m. and 5:30 p.m. (webcast on the BAPE website and Facebook page)

Location: Amo Ososwan School gymnasium, 209 Azadi Mikina, Winneway

About the BAPE

Since 1978, the BAPE has been informing and consulting the population on projects and on any environmental issue assigned to it by the minister responsible for the environment that could have an impact on their environment or quality of life. As an impartial government agency, it investigates and advises the government in order to inform its decision-making.

Follow the BAPE on social networks and subscribe to the newsletter [L'heure juste](#).
