Timeline for the project's decommissioning financial guarantee

No later than five (5) years before the end of the contract

- Submission of a detailed report on the decommissioning plan and estimated net costs
- Report prepared by an independent firm selected by Nutrinor Gilbert Énergies renouvelables and approved by Hydro-Québec

Amount of the decommissioning financial guarantee

- Based on the report
- May include a review by an independent firm mandated by Hydro-Québec
- Once the decommissioning guarantee amount is established, Nutrinor Gilbert Énergies Renouvelables will be required to provide an additional amount or a new financial guarantee.
- Within the timeframe determined by Hydro-Québec following the establishment of the amount
- The decommissioning guarantee must remain in effect until full completion of decommissioning.

Thank you!
